### SUPPLEMENTAL/BID BULLETIN NO. PB 2024-03

This Supplemental/Bid Bulletin No. 2024 - 03 is being issued to amend provisions in the Bidding Documents (BDs) for the above project to address the queries of the prospective bidder that were raised during the Pre-Bid Conference held via Microsoft Teams on October 31, 2024., to wit:

<b>Additional Provision of BDs under this Supplemental/Bid Bulletin:</b>
<p><b>1. Site visit is a mandatory requirement for bidders to fully understand the project scope and implementation for better construction methodology. This visit must be certified by the project architect on-site and constitutes an additional technical requirement for all bidders.</b></p>

This Supplemental/Bid Bulletin shall form an integral part of the said Bidding Documents.

Let copies of the foregoing Supplemental/Bid Bulletin be posted as required by law and furnished to the prospective bidders who participated during the Pre-Bid Conference and to those who submitted a written request for clarification.

For the guidance and information of all concerned.
